-----

Directions: The test is designed to measure your comprehension. The test is divided into 4 sections. There will be 5 pages (including this page) and they are worth 40 points.

- This exam paper contains no errors. If a suspected error is found, it is the student's discretion to correct it.
- Answer the questions on this test paper.
- Books, documents and lecture notes are not allowed.
- You must be in the room for one hour after the exam is started and, while taking the exam, you cannot go out except in an emergency case.
- Before leaving, make sure you do not bring this test outside.
- Do not use any electronic communication device.
- Calculators can be used in this test.

Now begin the test.

-----

Cheating in the exam is considered an extremely serious offence which will result in expulsion from the University.
